PREFACE

The Open Forum is a Bible question and answer program heard nightly across the United States over the Family Radio network. The program is hosted by Family Radio President and Bible teacher, Mr. Harold Camping. Listeners with questions or comments about the Scriptures may call in and participate. The answers given are based upon the Bible and relevant Scriptures are quoted. The Open Forum program is translated into more than 20 languages and broadcast throughout the world over Satellite, Internet, Shortwave and local radio broadcasts. Those outside of the United States can send their questions by mail or email. These questions are also addressed on the program.

Through the years many requests have been received for a collection of these Open Forum conversations. This book is such a collection. Questions are arranged by topic, and include conversations regarding such important issues as sin, judgment, salvation, the attributes of God and man, and the Christian life, to name a few. The topics in this book are arranged alphabetically, with major topic and sub-topics.

We hope and pray that this book will be a blessing in your life, and you will use it in your continuing study of God's Word, the Bible.
